Cultural Arts Resources

The Tuckahoe PTA's Cultural Arts Committee is dedicated to connecting TUFSD students with the arts by delivering arts-related programs to the three schools. For this extended school closure, we've identified resources for families to access from home. Numerous cultural organizations have launched or augmented their online offerings in response to the coronavirus shutdown. Below are some of the standout offerings we've identified. We hope that these help by providing both cultural enrichment and ways of keeping families occupied and stimulated in this difficult time.
