

Make One Choice to be Substance-Free

The Maxwell Institute Youth Substance Use Prevention Series

Tuesday, October 19, 2021

7:00 p.m. to 8:30 p.m., via Zoom

No cost to participate, but preregistration is required

Parents, Middle and High School Students: join us for an interactive, virtual event highlighting the vital role that substance misuse prevention plays in both individual and community health. You'll hear from members of the RyeACT Youth Action Team about their experience making One Choice and tips for parents to support their children in making the healthy decision to be drug and alcohol free!

GUEST SPEAKERS:

RyeACT Youth Action Team

Nancy Pasquale, Coordinator, RyeACT Coalition, One Choice Prevention

Corinne Shea, One Choice Prevention Director of Communications,
Institute for Behavior and Health, Inc.
